69TH AACC  
ANNUAL SCIENTIFIC MEETING  
& CLINICAL LAB EXPO  
JULY 30 - AUGUST 3, 2017  
SAN DIEGO, CA | USA

[Diba](#) is heading cross-country to San Diego for the annual AACC Expo taking place July 30 - August 3, 2017. Stop by booth #5201 to say hello and check out Diba's [HydroPLUS™ level sensor](#) demonstration.

HydroPLUS™ offers continuous level sensing for non-volatile fluids in any vessel shape. The sensor features integrated electronics and is compatible with existing containers. HydroPLUS™ has zero moving parts, does not read foam, and works with collapsible containers.

In addition, visitors can see examples of Diba's custom capabilities for [probes](#), [manifolds](#), [tubing assemblies](#) and [fluid heaters](#).

At the 69th AACC Annual Scientific Meeting & Clinical Lab Expo, you'll have the opportunity to:

- Connect with global leaders in clinical chemistry, molecular diagnostics, mass spectrometry, translational medicine, lab management, and other areas of breaking science in laboratory medicine.
- Learn about cutting edge technology. The AACC Clinical Lab Expo has more than 200 new product introductions each year.
- Hear vital research and learn about important changes in the field. With more than 200 educational opportunities in the form of lectures, plenary sessions, symposia, short courses, and roundtable sessions, you can design an educational experience that meets your need to stay ahead of changes in the field.
